

CLARK COUNTY COVID-19 TESTING LOCATIONS

Revised January 10, 2022

This document includes locations and schedules for COVID testing sites within Clark County, Nevada. The following testing sites are listed by zip code and date.

LONG-TERM SITES (RECURRING) SITES:

Long-term, recurring sites are those where vaccinations and testing are conducted at the same location for longer durations on a regular schedule.

SHORT-TERM "POP-UP" SITES:

Short-term "pop-up" sites are those where vaccinations and testing are conducted at a location for shorter durations and not on a regular, recurring schedule. These sites are at smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure residents in the County have access to a site located in their neighborhood.

PHARMACY SITES:

These sites are those where vaccinations and testing are conducted at a pharmacy location.

LONG-TERM TESTING LOCATIONS

The sites below are offering vaccinations and testing on a regular, recurring schedule. The recurring dates and times available at each site vary by location.
